

# JOEY COLLINS

## Debut Album 'Yin-Yang'

This tireless pursuit of finding oneself culminated in the release of his debut album, 'Yin-Yang,' in March 2023. More than just a collection of songs, the LP became a cathartic release for Joey, as he confronted his mental health struggles through his music. 'Yin-Yang' delves into the dualities of life, illuminating the interconnectedness of light and darkness, hope and despair, love and loss, in an eloquent sea of emotions.

“Gravitating towards alternative rock, Joey’s music carries a kinetic, vivid quality that’s felt most sharply when played live. Delivering introspective lyrics with palpable emotion, Joey’s an artist who sparks connection and catharsis.” - **NOTION**

*“A strikingly original artist in the modern era of over-produced, zealous pop, Collins possesses an emotional and lyrical dexterity to satisfy tortured souls and hopeful romantics alike.” – **The Mic Magazine***

*“With a range of influences from Jeff Buckley to Thom Yorke, Joey Collins has a mature and melancholic tone that sends shivers down your spine.” – **BBC Introducing***

Showcasing continuous growth as a songwriter, he has received great support from BBC Introducing’s Dean Jackson, in which he has received ‘Track of the week’ multiple times, whilst Tom Robinson aired ‘Looked Upon A Shore’ on ‘BBC Radio 6 Music’s Introducing Mixtape’. Collins also placed in the BBC Introducing top 25 “most played” chart out of the entire East Midlands music scene in 2020 and 2022. One of his standout singles, ‘Feed Me Your Love,’ surpassed all expectations. Its mix by the Guy Elderfield, known for his work with The Libertines and Jimmy Eat World, elevated the song to new heights. The track caught the ear of official Spotify curators, landing on the prestigious editorial playlists ‘All New Rock’ and ‘Alt Rocked,’ sharing space with music legends such as Foo Fighters, Kings of Leon, and Hayley Williams.

Collins’ passion for performing live has resulted in a plethora of shows around the UK and overseas. These days, he’s often to be found accompanied by his band ‘The Bushido Code’, putting on remarkable live gigs. With a life dedicated in pursuit of music, one thing is for sure - Joey Collins is just getting started.

*“Joey Collins is one of the hottest artists on the scene right now and definitely someone to keep an eye on.” – **Fame Magazine***
